Mr Kempton Warden Reports

That in conformity with the directory of (Vestry) 4th to have the windows closed up on the North side of Robert Flemings House situated on North Fifth Street next adjoining the [redacted] Burial Ground of this Church" has attended to that duty so far as endeavouring to have it done by Mr Fleming without proceeding to violent legal measures, which after a considerable delay resulted in Mr Fleming claiming the right to the windows as the wall was entirely on his own ground, in consequence of this claim application was made to the City Surveyor to survey & mark out the line between his lot & that of the Church, Notice was served on Mr Fleming & his attendance requested, but he did not attend.

The title papers of Mr Flemings lot (is in the possession of the Church) up to the sale of said lot by the Church to Geo Burghart on Ground Rent, in all the Deeds the said lot is 50 feet on 5th Street, & on measurement taking in all the North wall is 51 feet 6 inch.

It is understood from Robt R Burghart that the lot referred to was sold by him to R Fleming about 1830 — that a brick wall of 18 Inches thick running from 5th Street East, which was always understood by him to belong to the Church yet remained there when he sold the lot to Fleming & it appears on the line of Flemings House there is part of the old wall & Mr Fleming has built out flush with the North side of the same, taking in the 18 In wall which is the property of the Church, the law giving him the right to have just half his wall say 4½ Inches on the Church Ground, he is thus 13½ Inches over on the Church Ground, & as Mr Fleming shows no disposition to do justice to the Church, it is recommended a suit be instituted for the recovery of the said Ground MK

Atty for the Heirs of R Fleming, that $1250. would be taken if the Money was paid at once, for all South of the Centre of the present Wall, he replied he thought it would be settled immediately — time pass'd on and no prospect of the parties in Interest complying, notice was given withdrawing the offer made & preparation to take possession by the Church, brought them to action and placing the Money in the hands of their attorney, and the settlement was made early in the last Month —
